

## SET-BC Eye Gaze Provincial Workshop – February 28<sup>th</sup>, 2017

SET-BC is pleased to be hosting a provincial workshop on complex needs technologies that support students accessing AAC and computers through eye gaze.

This workshop will provide an **overview** of the various eye gaze technologies that are currently available through the SET-BC Provincial Loan Bank. The day will include a presentation on the **features of the different systems** and the **recommended process for trialing eye gaze** with potential student eye gaze candidates. There will also be opportunities offered

during the day to **explore the technologies** and see how eye gaze can be used to access communication page sets, curriculum activities and the internet.

**District specialists** interested in learning more about the technology options to support students who currently or could use eye gaze technology are encouraged to attend. Those who are familiar with eye gaze technologies will also find the opportunity to network with other specialists supporting this type of technology and the hands on exploration of devices helpful and informative.

**Date:** February 28, 2017 - 9:00 am – 3:00 pm (Registration opens at 8:30am)

**Fee:** None - Snacks and refreshments provided

**Site:** Surrey District Education Centre (DEC), 2123- 14033 92<sup>nd</sup> Ave Surrey, B.C.
