

Clicker Connect App

Introduction

Clicker Connect is Cricksoft's app that allows for building sentences and writing using word clusters to support the writing process. Lead students through the structure of sentences and composition by offering them suggested word ideas every step of the way.

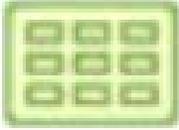

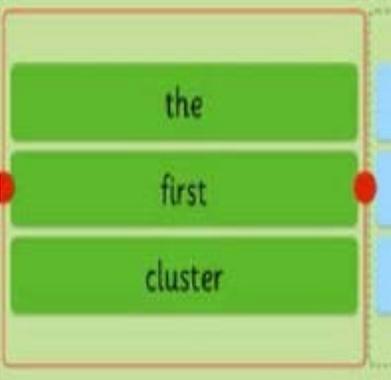

Learning Objectives

Completion of this tutorial will give you experience with the following:

- How to create a Connect Set in the Clicker Connect App

This tutorial assumes

- That you have the Clicker Connect App on an iPad

How to Create a Connect Set		
1	<p>Create a Connect Set</p> <p>To create a Connect Set, go to Edit View, tap the icon and choose New Connect Set</p> <p>Alternatively, tap the folder icon, tap the plus sign, and choose Connect Set to create a new Connect Set at the current location.</p>	
2	<p>Working with grids: name it and customize it</p> <ul style="list-style-type: none"> • Name the new Connect Set • Click Create • Now begin to Edit by typing a Name under Grid Name on the top white bar • Next click onto one of the clusters Content Box and start writing out words, phrases or sentences in each of the cells. <p>Note: to make a phrase/ multiple words you need to add Brackets () or [] surrounding the words in one cell</p>	
3	<p>Add, Resize, and Delete Clusters</p> <p>To add a cluster, select another cluster and tap the plus icon</p> <p>To resize the cluster, drag the red handles</p> <p>To delete a cluster, tap the trash can</p>	

<p>4</p>	<p>Working with Cells</p> <p>Each cluster contains one or more cells, which can contain words, punctuation, and pictures</p> <p>To add or delete cells you must be in Edit mode</p> <p>To select a cell, tap the cluster it belongs to and then tap the cell. The selected cell will have a red outline.</p>	
<p>5</p>	<p>Edit a Cell</p> <p>To change a selected cell's text, tap the Cell Text box.</p> <p>To hide a selected cell's text, turn off Show Text (it will still be sent when tapped)</p> <p>To add a cell, select another cell and tap the plus icon</p> <p>To delete a selected cell, tap the trash icon</p>	
<p>6</p>	<p>Add a Picture to a Cell</p> <p>To add a picture to a selected cell:</p> <ul style="list-style-type: none"> • Tap the camera icon to take a photo • Tap the picture icon to search CrickPix or browse your iPad's photo library • Tap the x to remove the current picture <p>To adjust the picture, use pinch-zoom and drag</p>
