

SETdirect Storytime Kit

The Storytime Kit allows all learners to read and be read to. This year's Storytime Kit makes use of a discreet switch inserted into the book, combined with a Step-By-Step communication device to have the included books (or any short book!) read to the student.

Components

This kit includes:

1. Step-by-Step w/levels

2. Pal Pad Switch

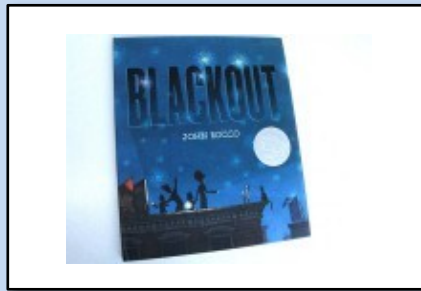

3. Talk Book 4

4. What Do You Do with an Idea by Kobi Yamada

5. Blackout by John Rocco
